Artistic Designs In Fireclay From Barclay

Barclay's new Farm Sinks are rich in both quality and history. Hand made by Stile Libero in a medieval Italian village where ceramics have been fashioned for the palaces of Kings and Popes, these elegant creations feature beautiful scrolling and exquisite new finishes like Crackle, Chabbi Chic and Dripped Stone. Centuries of experience blend with today's innovative technology to create captivating artistic sinks in durable, lasting fireclay.

Barclay Debuts New Fireclay for the Kitchen

Barclay Debuts Orabella and Pierina
The newest additions to our Kitchen Collection, both of these pristine new sinks boast fine fire clay construction. Fire clay continues to become more popular in the kitchen, as its smooth waveless surface resists heat, stains, discoloring and cracking, while requiring little maintenance. Orabella or Pierina will be a smart addition to your kitchen in either drop-in or undercounter applications.

Back To Nature With Barclay

Transform your bath decor with the unrivaled beauty of a natural basin from Barclay. Our new stone basins feature natural exteriors and highly polished interiors with colors and patterns only Mother Nature can create. Choose from rugged Riverstone, opulent Marble, breath taking Onyx, age-old Petrified Wood or exotic Teak Root. Skilled craftsmen reveal the inner beauty of the natural stone to create a display piece that will grace your home for many years to come. These basins are hand made from natural stone so no two are alike.
