- ▶ 25 year limited warranty on mechanical components
- ▶ 7 year warranty on finishes

Finishes

CR	Chrome
PE	Brushed Nickel
RU	Oil Rubbed Bronze

Compliance Certification:

Meets or exceeds the following specifications:
ASME A112.18.1-2003

We recommend that you check all water connections for leaks before closing the wall.

- Cleaning and Care Instructions:**
- We recommend you wipe your faucets dry after every use. This will prevent accumulation of mineral deposits left when water evaporates. Use a soft cloth for wiping all surfaces.
 - Avoid harsh and abrasive cleaners on all faucet surfaces. Use only a soft, damp cloth with mild liquid soap to clean the finished surfaces of all faucets, including coated polished brass, gold, brushed nickel, etc.
 - Painted and plated surfaces alike, should be coated regularly with a thin protective film. Non-abrasive liquid car wax is recommended.

Dimensions and specifications subject to change without notice.
